

< Hiring of 2024 DNV Korea Summer Internship>

1. About DNV

[DNV](#) is the independent expert in risk management and assurance, with more than 15,000 employees operating in more than 100 countries. Through our broad experience and deep expertise, we advance safety and sustainable performance, set industry benchmarks, and inspire and invent solutions.

DNV marks 160 years of safeguarding life, property and the environment in 2024.

We are the world's leading classification society and a recognized advisor for the maritime industry. We enhance safety, quality, energy efficiency and environmental performance of the global shipping industry – across all vessel types and offshore structures. We invest heavily in research and development to find solutions, together with the industry, that address strategic, operational or regulatory challenges.

2. About DNV Korea

[DNV Korea](#) is engaged in classification activities covering newbuilding, certification of materials and components, and vessels in operation, providing services to the world's largest and most technologically advanced shipyards in Korea and shipowners in the world.
